D **Bm**

I've nothing much to offer,
C#m Gdim F#7
there's nothing much to take
G D
I'm an absolute beginner,
C Bm Em A
but I'm absolutely sane

D Bm

As long as we're together,
C#m Gdim F#7
the rest may go to hell
G D
I absolutely love you,
C Bm
but we're absolute beginners
G D
With eyes completely open,
F# A
but nervous all the same

Em A D

If our love song
G
could fly over mountains
Bm
Could laugh at the ocean,
F#
just like the films
Em A D
There's no reason
G
to feel all the hard times
Bm
To lay down the hard lines,
A
it's absolutely true

D Bm

Nothing much could happen,
C#m Gdim F#7
nothing we can't shake
G **D**
Though we're absolute beginners,
C Bm Em A
with nothing much at stake

D Bm

As long as you're still smiling,
C#m Gdim F#7
there's nothing more I need
G D
I absolutely love you,
C Bm
but we're absolute beginners
G D
But if my love is your love,
F# A
we're certain to succeed

Em A D
 If our love song
 G
 Could fly over mountains
 Bm
 Sail over heartaches
 F#
 Just like the films
 Em A D
 There`s no reason
 G
 To feel all the hard times
 Bm
 To lay down the hard lines
 A
 It`s absolutely true
