Bm A E
The time has gone

G D A G F#
But your face baby, is still here on my mind

Bm A E G D
The tears I cried have filled the rivers,

A G F#
Lakes, seas, but not the time

Bm A E G
I hear your voice through the wind

D A G F#
Whispering tender, sweet sweet as wine

Bm A E
But remember I'm coming to that

G D A G F#
Place where your love love is still shining

Bm A E
Although my eyes are wet

G D A G F#
I still see the lovely moments in the shadow of your name

Bm A E G
And so I think of you and remember

D A G F#
The day He put out the flame

Bm E
I'll come high in the sky

G
Where your love is blooming

D F#
Like a flower on a field

Bm E
I'll come high in the sky

G
Where your love is blooming

D F#
Pure and real

G D A G F#
And gone for me is the time to spend your love now

Bm A E G D A
cry my tears knowing that you are waiting for me

G F#
Could it be worse

Bm A E
I'll reach my hand

G D A G F#
While you are reaching your hand out for me

Bm E
I know high in the sky

G
Where your love is blooming

D F#
Like a flower on a field

Bm E
I'll come high in the sky

G
Where your love is blooming

D F#
Pure and real
