Well, she was just seventeen, You know what I mean,

And the way she looked was way beyond compare.

So how could I dance with another (ooh)

When I saw her standin' there.

Well she looked at me, and I, I could see

That before too long I'd fall in love with her.

She wouldn't dance with another (whooh)

When I saw her standin' there.

Well, my heart went "boom," when I crossed that room

And I held her hand in mine...

Well, we danced through the night,

And we held each other tight,

And before too long I fell in love with her.

Now, I'll never dance with another (whooh)

When I saw her standing there

Now, I'll never dance with another (whooh)
 When I saw her standing there
 Since I saw her standing there.
