Verse

Em

My little time bomb, set on a quarter to three
Each time you walk away
You leave a heartache, wasted energy
every midnight by the light of day

Yeah

Oh yeah

Verse

Pack you suitcase, Full of nothing
Have a nice life, I sit and pray
For a blue train, for a fast train
To take you far far away from here

Riff 1

Rolling Rolling

Riff 1

G Am G Am
Going nowhere

Verse

Em

You left your Nikon, you left a diary
bluejeans wet in the washing machine
Kitchen sink, full of garbage
Static on the tv
Better put some distance baby, as much as possible
Distance as far as I can see

Riff 1

Verse

Em
Time move over liar
You ain't seen nothing yet
Every time you take a dose of poison ivy ginger bread

Bridge

G Em
I realize
 G Em
There's a fire inside
 G Em
When the morning comes
 Am
It won't take long
Am
Won't take long

 G Em
When you've lost the key
 G Em
And you failed to see
 G Em
That the fire's gone
 Am
So long
Am
So long

Verse

Em
My little time bomb, set on a quarter to three
Each time you go astray
One more heartache
Wasted energy
And the end of another masquerade

Bridge

G Em
I realize
