D-A-G-D 2x

D A G A  
Born in the backstreet where nobody breathe  
D A G  
Born for toy or trouble  
D A G A  
Hold on tight to what you believe  
D A G  
Cause paradise grows from the rubble,  
A G  
Everyone says the old ways are dead  
D A G  
And love has a brandnew hairdo  
A G  
Can you be sure that motives are pure  
D A G  
Believe what they say if you care to

D A G D  
(You say) you've got somethin' well I don't care  
D A G D  
I put my money on the Red Queen  
D A G D  
And when the pages turn, she'll still be there  
A G D  
I'll put my money on the Red Queen  
G  
I'll leave the shadows where they belong  
A  
Take up the spaces that nobody wants  
D A G D  
I don't care if you think I'm wrong  
D A G D  
I put my money on the Red Queen

D A G A  
Maybe time's a little bit hard  
D A G  
And the color of love is money  
D A G A  
Well in the time you can deal the next card  
D A G  
Fortunes have been made in plenty  
A G  
But all the Kings horses and dead presidents  
D A G  
Won't fill up that space deep inside you  
A G  
And the hole will get bigger and much more intense  
D A G  
Till you find out how much you've been lied to

D A G D  
 (he you say) You know somethin' but I don't care  
 D A G D  
 I`ll put my money on the Red Queen  
 D A G D  
 When the table turns, she'll still be there  
 D A G D  
 I`ll put my money on the Red Queen  
 G  
 I`ll leave the broken pieces where they fall  
 A  
 I`ll pull on my boots and walk down the hall  
 D A G D  
 Lets in the light that's in our soul  
 D A G D  
 I put my money on the Red Queen

Bm A  
 I put it down and I'll raise you to it  
 G A  
 It aint no gamble, I'll leave that to you
