

Chorus

Ab Db  
The light was black and the night was blue  
Ab Db  
And down the alley I crept on through  
Ab Db  
A shot from a pistol and somebody screamed  
Ab Db  
You should have heard just what I'd seen  
Ab Db  
who do you love?

Chorus

Ab Db  
I got a tombstone head and a graveyard mind  
Ab Db  
I'm just 22 and I ain't stole a dime  
Ab Db  
The eyes of a wolf and a gator smile  
Ab Db  
Lived long enough and I don't mind dying'!!  
Ab Db  
Who do you love?

Ab Db  
Who do you love? (6x)
