repeat over and over...

then.... E/ E/ D/ ...repeat above.

*The d/u/d fast strum part is crucial...listen to the song. This is basically the entire song repeated over and over.

Verses:

G/A....repeat gitaar 2

Well touch
Yeah I touched your hand
By accident
So touch
I didn't understand to touch you
But I touched her hand

E E D...

Yeah does she look at me
Oh I could see her eyes

back to gitaar 2 pattern

Were just as I hoped
Just as I hoped they would be
I said touch baby
I didn't mean to touch you
But I didn't stop your hand

E E D

Well she looks so understanding
Try to look so recommending and...

Change:

Arpeggio picking: A D G C chords

She held mine so tight
We didn't speak a word
And stayed right by her side
That's how we spend the night
I held her hand in mine
Made me feel so fine down there

Gitaar 2 Chords pattern

Well touch
I just touched her hand
By accident
I said touch
I didn't understand to touch you
But I touched your little hand

E E D

Yeah you look at me
That I could see your eyes

Gitaar 2 Chords pattern

Were just as I hoped
As I hoped they would be
Well touch
I didn't mean to touch you
But I touched your hand

E E D

Well you were so understanding
I tried to look so recommending and

Change

Arpeggio picking: A D G C chords

I've been with her all night long
Sharing a feeling that grew strong
We found ourselves a love
That couldn't possibly go wrong
I still hold her hand in mine
And it still makes me feel so fine

E E D

As it was
