 You Cannot decode my whole life spins into a frenzy. **Downslide**

Bm
 Help, I'm stepping into the twilight zone
A
 place is a madhouse feels like being cloned.
G
 My beacon's been moved under moon and star.

 Where am I to go now that I've gone too far. Wooooohoo

 Can't get no connection, can't get through where are you.
Bm
 Well the night weights heavy in his guilty mind.
Em **F#m**
 This far from the border line when the Hitman comes
Bm
